\*The Bank has decided to reclassify the property, plant and equipment to Investment Property those actually met the criteria of Investment Property as per International Accounting Standard (IAS) 40- Investment Property from the financial year 2021. The Bank used the cost model, for the transfer of owner- occupied property to investment property. For this reason, there is no change in the carrying amount of the property transferred and there is no change in the cost of that property for measurement or disclosure purposes (as per Para 59 of IAS 40). If there is any changes in fair market value, the adjustment will be given subsequently in future for the impairment loss.

23.1 An actuarial valuation had been carried out by a professional actuarial firm as at 31 December 2017 to determine any surplus or deficit for these defined benefit plans. A shortfall of BDT 2,164 million has been reported in the said valuation report. However, as per bank's board decision in this regard Tk. 250.00 million lumpsum to be contributed in the pension and death cum retirement fund each year on the profitability of the Bank. Whereas Tk. 50.00 million has been provided for the said fund to meet the shortfall in the year 2021 due to insufficiency of profitability. The left will be maintained accordingly in the folllowing

Earnings per Share (EPS) has been calculated in accordance with "International Accounting Standard (IAS) - 33. Earnings per Share" which has been shown on the face of Profit & Loss Account. During the year 20000000 nos. of bonus share with a face value of Tk. 100 each has been issued as per the decision approved by 11th AGM of the bank dated 23/09/2021. The voucher has been recorded on 12/10/2021. This has been calculated by dividing the basic earnings by the weighted average number of ordinary shares outstanding during the year.

#### **Report on the Audit of the Financial Statements**

#### Opinion

We have audited the financial statements of BDBL Securities LTD., which comprise the statement of financial position as on December 31, 2021 and statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as on December 31, 2021 and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs), The Securities and Exchange Rules 2020, BSEC's Risk Based Capital Adequacy Rules 2019, Companies Act, 1994 and other applicable laws and regulations.

#### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants together with the ethical requirements that are relevant to our audit of the financial statements in Bangladesh and we have fulfilled our other ethical responsibilities in accordance with these ethical requirements. We believe that the audit evidences we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRSs, the Companies Act 1994, the Securities and Exchange Rules 2020, BSEC's Risk Based Capital Adequacy Rules 2019, and other applicable laws and regulations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- \* Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- \* Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- \* Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- \* Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

\* Evaluate the overall presentation, structure and content of the Company' financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other Legal and Regulatory Requirements

In accordance with the Companies Act 1994, the Securities and Exchange Rules 2020 and BSEC's Risk Based Capital Adequacy Rules 2019, we also report the following:

- a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof;
- b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appeared from our examination of these books;
- c) the statements of financial position and statements of profit or loss and other comprehensive income dealt with by the report are in agreement with the books of account and returns; and
- d) the capital to total risk requirement ratio as required by Bangladesh Securities Exchange Commission has been maitained adequately during the year.
- e) the expenditure incurred was for the purposes of the Company's business.

## BDBL Securities Limited Notes to the Financial Statements As on 31 December 2021

#### 1. The Company and its Activities

#### 1.1 Legal status and nature of the company

BDBL Securities Limited was incorporated vide Reg. # C-92946/11 dated as on 23 May 2011 as a public company limited by shares under the Companies Act, 1994. The company also obtained certificate of commencement of business on 23 May 2011. The commercial operation of the company started on 01 March 2012.

BDBL Securities Limited (BSL) is a subsidiary company of Bangladesh Development Bank Limited (BDBL) situated at BDBL Bhaban (Level-16), 12 Karwan Bazar, Dhaka-1215. BSL is constituted by acquiring and taking over membership No. 20 of Dhaka Stock Exchange Ltd. (held by erstwhile Bangladesh Shilpa Rin Sangastha now BDBL) and membership No.78 of Chittagong Stock Exchange Ltd. (held by erstwhile Bangladesh Shilpa Bank now BDBL). Afterwards, under Demutualization Act-2013 the membership converted as a Trading Right Entitle Certificate (TREC) 20 for Dhaka Stock Exchange & 78 for Chittagong Stock Exchange.

#### 1.2 Nature of business

The main object of BDBL Securities Limited is to act as a TREC holder of stock exchanges, the central depository system (CDS) company and to carry on the business of broker, jobbers or dealers in stocks, shares, securities, bonds, debentures etc. The Company is also authorized to buy, sell, hold or otherwise acquire or invest the capital of the Company in shares, stocks and fixed income securities of public companies.

#### 2. Significant Accounting Policies

#### 2.1 Basis of Presentation of Financial Statements

The financial statements have been prepared on a going concern basis applying accrual basis of accounting except for statement of cash flows in accordance with and in compliance with International Financial Reporting Standards (IFRSs), the Companies Act 1994, Securities and Exchange Rules 2020,BSEC Notification dated 22 May 2019 on Risk Based Capital Adequacy Rules, 2019. Conditions and regulations issued by the Bangladesh Securities and Exchange Commission (BSEC) and other applicable laws and regulations.

#### 2.2 Basis of Measurement

The financial statements have been prepared based on historical cost convention basis. The accounting policies, unless otherwise stated, have been consistently applied by the Company and are consistent with those of the previous year.

#### 2.3 Use of Estimates and Judgments

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenue and expenses. It also requires disclosures of contingent assets and liabilities at the date of the financial statements. Provisions and accrued expenses are recognized in the financial statements in line with the International Accounting Standard (IAS) 37: "Provisions, Contingent Liabilities and Contingent Assets" when - The Company has a legal or constructive obligation as a result of past event.

i. it is probable that an outflow of economic benefit will be required to settle the obligation.

ii. a reliable estimate can be made for the amount of the obligation.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which form the basis of making the judgments about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

However, the estimates and underlying assumptions are reviewed on an ongoing basis and the revision is recognized in the period in which the estimates are revised.

#### 2.4 Statement of Cash Flows

Statement of Cash Flows is prepared under direct method in accordance with International Accounting Standard (IAS) 7: "Statement of Cash Flows".

#### 2.5 Going Concern

The Company has adequate resources to continue its operation for foreseeable future. For this reasons the directors continue to adopt going concern basis in preparing the financial statements. The current credit facilities and adequate resources of the Company provide sufficient funds to meet the present requirements of its existing businesses and operations.

#### 2.6 Recognition and measurement of financial assets

A financial asset is classified as held for trading if it is acquired or incurred principally for the purpose of selling or repurchasing it in the near term.

#### 2.7 Revenue Recognition

Revenue is recognized only when it is probable that the economic benefits associated with the transaction will flow to the enterprise and in accordance with the International Financial Reporting Standard (IFRSs) 15: "Revenue from Contracts with Customers":

#### a. Brokerage Commission

Brokerage commission is recognized as income when selling or buying order is signed and trade is executed.

#### b. Interest Income from Margin Loan

Interest income from margin loan is recognized on accrual basis. Such income is calculated on daily margin loan balance of the respective clients. Income is recognized on quarterly basis.

#### c. Dividend Income:

Dividend income is recognized when the right to receive payment is established.

#### d. Gain or Loss on Sale of Marketable Securities:

Gain or loss arising from the sale of securities is accounted for only when securities are sold.

#### e. Interest Income:

Interest income from Bank Deposit is recognized on accrual basis.

#### 2.8 Interest income earned from CCA

Net interest income earned from Consolidated Customer's Account (CCA) is calculated and kept in separate account for distribution among the eligible customers following the guidelines contained in the BSEC Directive No. BSEC/CMRRC-D/2009-193/21 date June 21, 2021.

#### 2.9 Earning Per Share

The Company calculates earning per share in accordance with International Accounting Standard (IAS) 33: "Earning per Share" which has been shown in the face of Statement of Profit or Loss and Other Comprehensive Income.

#### 2.10 Net Asset Value (NAV) Per Share

NAV per share of the company is calculated on the basis of Net Asset Value divided by number of ordinary shares outstanding during the year.

#### 2.11 Cash and Bank Balances

Cash and Bank Balances include cash in hand and cash at bank which are held and are available for use by the Company without any restriction. There is insignificant risk of change in the value of the above items.

#### 2.12 Property, Plant and Equipment and Depreciation

Property, Plant and Equipment are stated at cost less accumulated depreciation. Depreciation is charged using the straight-line method on the acquisition cost of PPE and such cost is written off over the estimated useful lives of assets, in accordance with IAS 16.

Depreciation is calculated on the cost of fixed assets in order to write off such amounts over the estimated useful lives of such assets. The rates of depreciation used on a straight-line and reducing balance method are as follows:

Category of assets	Method	<u>Rate</u>
Furniture and Fixtures	Reducing Balance	10%
Office Equipments	Reducing Balance	20%
Computer	Straight Line	20%
Motor Vehicles	Straight Line	20%
Office Decoration	Reducing Balance	10%

Depreciation is charged from the month in which the related assets are put into use. The gain or loss arising on the disposal or retirement of an asset is determined as the difference between the sale proceeds and the carrying amount of the asset and is recognized in the Statement of Profit or Loss and Other Comprehensive Income.

#### 2.13 Implementation of IFRS-16 'Leases'.

The Company has only lease agreement for hiring office premises with the parent company the term of which is going to be expired on 28 February, 2022 which less than 01 year from the date of statement of financial position. This lease agreement is considerd as a short term one As such the company has elected not to apply the requirement of IFRS-16 "Leases" and recognized the lease payment as an expense.

#### 2.14 Intangible Assets

Intangible assets represent computer software which has been amortized @ 20% following straight line method.

#### 2.15 Financial Instruments

Financial instruments have been presented as per IAS 32 "Financial Instruments: Presentation" and recognized as per IFRS 9- "Financial Instruments" and disclosure has been made in accordance with IFRS 7- "Financial Instruments: Disclosures".

#### 2.16 Investment in DSE and CSE Shares

The subsequent measurement of Investment in DSE and CSE shares are made at cost as these have not a quoted market price in an active market and its fair value can not be reliably measured as per IFRS-9: "Financial Instrument".

#### 2.17 Investment in Marketable Securities

Investment in securities are initially recognized at cost plus transaction costs that are directly attributable to the acquisition of the shares. After initial recognition, the subsequent measurement of investment in securities has been made at fair value through Profit or Loss as per IFRS 9: "Financial Instrument" as these are acquired or held for trading purposes in dealer account.

#### 2.18 Provision for Tax

#### 2.18.1 Current Tax

Provision for current tax is made in accordance with the provision of Income Tax Ordinance, 1984 and subsequent amendments made thereto from time to time.

#### 2.18.2 Deferred Tax

Deferred Tax is calculated as per International Accounting Standard (IAS) 12: "Income Taxes". Deferred Tax is recognized on differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit and are accounted for using the balance sheet liability method. Deferred Tax liabilities are recognized for all taxable temporary differences. Deferred Tax assets are generally recognized for all deductible temporary differences.

Deferred Tax is measured at the tax rate that is expected to be applied to the temporary differences when they reverse based on the laws that have been enacted or substantively enacted by the reporting date.

#### 2.19 Provision for expenses

Provision for expenses is recognized when the Company has a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligations and reliable estimate of the amount can be made.

#### 2.20 Related Party Disclosures

As per IAS 24: "Related Party Disclosures", a related party is a person or entity that is related to the entity (i.e. BDBL Securities Limited) that is preparing its financial statements. Related party transaction is a transfer of resources, services, or obligations between a reporting entity and a related party, regardless of whether a price is charged as per IAS 24.

Related parties include the company's directors, key management personnel, associates, companies under common directorship etc. as per IAS 24 "Related Party Disclosures". All transactions involving related parties arising in the normal course of business are conducted at arm's length at normal commercial rates on the same terms and conditions as third party transactions using valuation modes, as admissible. Related party transactions have been disclosed under note-43.

#### 2.21 Events after the Reporting Date

Events after the reporting date that provide additional information about the company's position at the balance sheet date are reflected in the financial statements. Events after the reporting date that are not adjusting event are disclosed in the notes when material.

#### 2.22 Reporting Period

The accounting period of the Company has been determined to be from 01 January to 31 December each year. These financial statements cover the year from 01 January 2021 to 31 December 2021.

#### 2.23 Comparative Information

Comparative Information has been disclosed in respect of the previous period for all amounts reported in the Financial Statements, both in the face of Financial Statements and Notes to the Financial Statements.

#### 2.24 Reclassifications

To facilitate comparison, certain relevant balances pertaining to the previous year has been rearranged/reclassified whenever considered necessary to conform to current year's presentation.

#### 3. Genera

The financial statements have been presented in Bangladesh Taka (BDT) currency, which is the Company's functional currency. All financial information presented in BDT has been rounded off to the nearest integer.

## 41 Related Party Disclosures (IAS-24)

The following amounts are related to Bangladesh Development Bank Limited (BDBL) which is the parent company of BDBL Securities Limited:

Related party name	Opening balance	Addition during the year	Paid during the year	Closing balance	Nature of transaction
BDBL	15,239,389	6,093,566	ı	21,332,955	For payment of salary and allowances of deputed employees.
BDBL	394,673,450	25,090,921	1	419,764,370	Bank Overdraft

## 42 Financial Risk Management

The Company has exposure to the following risks from it use of financial instruments:

- a) Credit risk
- b) Liquidity risk
- c) Market risk

This note presents information about the Company's exposure to each of the above risks, the Company's objectives, policies and processes for measuring and managing risk, and the Company's management of capital. The Board of Directors (BOD) has overall responsibility for the establishment and oversight of the Company's risk management framework.

## a) Credit risk:

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations and arises principally from the Company's loans and advances to customers and investment securities. These loans and advances are fully backed by the securities held by the customer. With respect to credit risk arising from the other financial assets of the company, the maximum exposure is equal to the carrying amounts of the financial assets.

## b) Liquidity risk:

Liquidity risk is that the company will not be able to meet its financial obligations as they falls due. The company's approach to managing liquidity (cash and cash equivalents) is to ensure ,as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the company's reputation. Typically, the company ensures that it has sufficient cash and cash equivalents to meet expected operational expenses including financial obligations through preparation of the cash flow forecast based on time schedule of payment of the financial obligation and accordingly arrange for sufficient liquidity/ fund to make the expected payment within due date.

## c) Market risk:

Market risk arises when the fair value or future cash flows of financial instruments of the company fluctuate due to changes in market variables, mainly equity price. BSL defines market risk as the risks taken in relation to price flactuations in the financial market.

Equity risk is the potential loss due to an adverse change in the stock price and any negative change in stock price either leads to a loss or diminution in investments value. Equity risk remains the main market risk considering the company has an equity portfolio in excess of taka 1.12 billion as at the balance sheet date. This is managed on a portfolio basis based on trading or strategic investment. The company's accounting policies ensure to reflect investments in marketable securities at fair value recognising any realised gain or loss through profit and loss.

The risk of exchange rate movement doesn't impact this company directly because the BSL don't deal with foreign currency. The risk due to changes of interest rate on borrowing is insignificant.

## d) Impact of COVID-19 Pandemic:

On 11 March 2020, world health organization (WHO) declared a global pandemic due to Corona Virus related respiratory disease commonly called as COVID-19.To contain the spread of this disease, along with many other countries of the world, Government of Bangladesh has also taken a number of measures such as declaration of general holiday, social distancing, enforcement of lock down etc. As a result of these measures all business and economic activities were adversely affected and those also impacted the company as well Management considered COVID-19. The business operation and profitability of the Company were affected due to COVID-19, the situation is constantly changing and there is no certainty at present as to how long the situation will prevail the potential impact of COVD19 related matters on the Company 's operation and financial results cannot be reasonably assessed. There is no impact of the stimulus packages declared by Government of Bangladesh for the industries in Bangladesh to the financial statements of the Company for the year ended 31 December 2021 regarding COVD 19.

## 43 Events After the Reporting Period

- a) The Board of Directors of the Company in it's meeting held on 03 March 2022 approved the financial statements of the company for the year ended 31 December 2021 and authorized the same for issue. The Board of Directors also decleared dividend @ 8% for the year which is subject to approval by the shareholders in the ensuing Annual Genaral Meeting.
- b) There is no other significant event that has occurred between the Reporting date and the date when the financial statements were authorized for issue by the Board of Directors.

## Independent Auditor's Report To the Shareholders of BDBL INVESTMENT SERVICES LTD.

## **Report on the Audit of the Financial Statements**

## **Opinion**

We have audited the financial statements of BDBL INVESTMENT SERVICES LTD., which comprise the statement of financial position as on December 31, 2021 and statements of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as on December 31, 2021 and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs), the Securities and Exchange Rules 2020, BSEC's Risk Based Capital Adequacy Rules 2019, Companies Act, 1994 and other applicable laws and regulations.

## **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants together with the ethical requirements that are relevant to our audit of the financial statements in Bangladesh and we have fulfilled our other ethical responsibilities in accordance with these ethical requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRSs, the Companies Act 1994, the Securities and Exchange Rules 2020, BSEC's Risk Based Capital Adequacy Rules 2019 and other applicable laws and regulations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to
- Evaluate the overall presentation, structure and content of the Company' financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## Report on other Legal and Regulatory Requirements

In accordance with the Companies Act 1994, the Securities and Exchange Rules 2020 and BSEC's Risk Based Capital Adequacy Rules 2019, we also report the following:

- a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof;
- b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appeared from our examination of these books;
- c) the statements of financial position and statements of profit or loss and other comprehensive income dealt with by the report are in agreement with the books of account
- d) the capital to total risk requirement ratio as required by Bangladesh security exchange commission has been maintain adequately during the year.
- e) the expenditure incurred was for the purposes of the Company's business.

## BDBL INVESTMENT SERVICES LIMITED NOTES TO THE FINANCIAL STATEMENTS As at and for the year ended 31 December 2021

## 1. Legal status and background information

## 1.1 Legal form

BDBL Investment Services Limited (BISL) is a public Company limited by share and a fully owned subsidiary of Bangladesh Development Bank Limited (BDBL). It was incorporated under the Companies Act, 1994 vide RJSC Registration no.C-117425/14 on 06 August 2014 with a view to act as stock dealer and stock broker of Dhaka Stock Exchange Ltd. It's registered office is situated at BDBL Bhaban (Level-13), 8 Rajuk Avenue, Dhaka-1000. BISL is constituted by acquiring and taking over membership No. 152 of Dhaka Stock Exchange Ltd. held by erstwhile Bangladesh Shilpa Bank now Bangladesh Development Bank Limited.

The Company started operation on 13 July 2016 after completion of required formalities with DSE and BSEC.

## 1.2 Activities of the company

The principal activities of the Company are to act as a TREC Holder of Dhaka Stock Exchanges Limited to carry on the business of stock broker and stock dealer of securities trading.

## 2. Significant accounting policies and other relevent information

## 2.1 Basis of preparation and presentation of financial statements

The financial statements have been prepared on a going concern basis following historical cost convention except for statement of cash flows in accordance with the requirements of International Financial Reporting Standards (IFRS), the Securities and Exchange Rules, 2020, BSEC Notification dated 22 May, 2019 on Risk Based Capital Adequacy Rules 2019, the Companies Act, 1994, FRC Act-2015 and other applicable laws and regulations.

## 2.2 Use of estimates and judgments

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenue and expenses. It also requires disclosures of contingent assets and liabilities at the date of the financial statements.

Provisions and accrued expenses are recognized in the financial statements in line with the International Accounting Standard (IAS) 37 "provisions, contingent liabilities and contingent assets" when

- The Company has a legal or constructive obligation as a result of past event.
- It is probable that an outflow of economic benefit will be required to settle the obligation.
- A reliable estimate can be made for the amount of the obligation.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which form the basis of making the judgments about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates. However, the estimates and underlying assumptions are reviewed on an ongoing basis and the revision is recognized in the period in which the estimates are revised.

## 2.3 Components of the financial statements

- a. Statement of financial position as at 31 December 2021.
- b. Statement of profit or loss and other comprehensive income for the year ended 31 December 2021.
- c. Statement of changes in equity for the year ended 31 December 2021.
- d. Statement of cash flows for the year ended 31 December 2021.
- e. Notes, comparising a summary of significant accounting policies and other explanatory information.
- f. Comparative Information.

## 2.4 Going concern

The Company has adequate resources to continue its operation for foreseeable future. For this reason the directors continue to adopt going concern basis in preparing the financial statements. The current credit facilities and adequate resources of the Company provide sufficient funds to meet the present requirements of its existing businesses and operations.

## 2.5 Fixed assets

Fixed Assets are stated at cost less accumulated depreciation. Depreciation is charged on straight-line method based on estimated useful life of each category of assets at the following annual rates:

Items	Rate (%)
Furniture & fixtures	10
Office equipment	20
Computer, printer & IT equipment	20
Air conditioners	20
Interior decoration	10
Digital Billboard	20

Depreciation is charged on the addition of assets from the date when such assets are available for use during the year upto the date of disposal on a straight-line basis.

Gain or loss arising on the disposal or retirement of an item of fixed assets are determined as the difference between sales proceeds and carrying amount of the asset and is recognized in statement of profit or loss and other comprehensive income as per provision of IAS-16 "Property, Plant & Equipment".

## 2.6 Intangible asset

Intangible assets are stated at cost less accumulated amortization. Amortization is charged on straight-line method based on estimated useful life of each category of intangible assets at the following annual rate.

Items	Rate (%)
Software	20

Amortization is charged on the addition of intangible assets from the date when such assets are available for use during the year upto the date of disposal.

## 2.7 IFRS 16: Leases

As per IFRS 16, the Company recognizes a right-of-use (ROU) asset (i.e.the right to use the office building) and corresponding lease liability in the financial statements. The assets and the liabilities are initially measured at the present value of unavoidable lease payments. The depreciation of the leased asset (ROU) and the interest on the lease liability is recognized in the profit or loss account over the lease term replacing the previous heading 'rent expenses'.

As per Para 9 of IFRS 16 "Leases", "At inception of a contract, an entity shall assess whether the contract is, or contains, a lease. Also, Para 11 of IFRS 16 "Leases" stated "An entity shall reassess whether a contract is, or contains, a lease only if the terms and conditions of the contract are changed. This policy is applied to contracts entered into, on or after 01 January 2019.

However, The Company has applied IFRS 16 "Leases" for the first time from 01 October 2020 the date of renewal of lease contract with the BDBL the parent Company for use of office premises.

### 2.8 Financial instruments

Financial instruments have been presented as per IAS 32 "Financial Instruments: Presentation" and recognized as per IFRS 9- "Financial Instruments" and disclosure has been made in accordance with IFRS 7 "Financial Instruments: Disclosures".

A financial asset is measured at amortized cost if both of the conditions are met: (i) the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and (ii) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets are classified and measured at fair value through other comprehensive income if they are held in a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets.

Any financial assets that are not held in one of the two business models mentioned are measured at fair value through profit or loss.

All financial liabilities are measured at amortized cost, except for financial liabilities at fair value through profit or loss.

## 2.9 Investment in exchange shares (DSE)

The Investment in exchange shares (DSE) are recognized and subsequently measured at cost due to not having active market for this kind of shares.

## 2.10 Proprietary positions in securities and other investments

The Investment in marketable securities are recognized at cost and subsequently measured at fair value through profit or loss. The fair value of these investments have been calculated by deducting the related provision for diminishing value of shares from its cost. The provision against these investments have been made as per the related circular issued by the Bangladesh Securities and Exchanges Commission (BSEC).

## 2.11 Cash & bank balances

Cash and bank balances comprise cash on hand and cash at bank having maturity of three months or less which are available for use by the Company without any restriction.

## 2.12 Provision for tax

Current tax:

Provision for current tax is made in accordance with the provision of the Income Tax Ordinance, 1984 and subsequent amendments made thereto from time to time.

### Deferred tax

Deferred tax is calculated as per International Accounting Standard (IAS) 12 "Income taxes". Deferred tax is recognized on differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit and are accounted for using the balance sheet liability method. Deferred tax liabilities are recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences.

Deferred tax is measured at the tax rate that is expected to be applied to the temporary differences when they reverse based on the laws that have been enacted or substantively enacted by the reporting date.

## 2.13 Revenue recognition

Revenue is recognized only when it is probable that the economic benefits associated with the transaction will flow to the entity the revenue during the year and in accordance with the International Financial Reporting Standards (IFRS) 15: "Revenue". from contracts with customer"

### a. Brokerage commission:

Brokerage commission is recognized as income when selling or buying order is executed.

### b. Dividend income:

Dividend income is recognized when the right to receive the payment is established.

### c. Gain or loss on sale of marketable securities:

Gain or loss arising from the sale of securities is accounted for only when securities are sold.

## d. Interest income:

Interest income from bank deposit is recognized on accrual basis.

## e. Interest from margin loan:

Interest from margin loan is recognized on accrual basis

## 2.14 Interest received from CCA (Consolidated Customers' Account)

Net interest received from Consolidated Customer's Account (CCA) is calculated and kept in separate account for distribution among the eligible customers following the guidelines contained in the BSEC Directive No. BSEC/CMRRCD/2009-193/21 date June 21, 2021.

## 2.15 Earning per share

The Company calculates earning per share in accordance with International Accounting Standard (IAS) 33: "Earning per share" which has been shown in the face of statement of profit or loss and other comprehensive income.

## 2.16 Net asset value (NAV) per share

NAV per share of the company is calculated on the basis of net asset value divided by number of ordinary shares outstanding during the year.

## 2.17 Related party disclosure

As per International Accounting Standards (IAS)-24 "Related party disclosures", parties are considered to be related if one of the parties has the ability to control the other party or exercise significant influence over the other party in making financial and operating decisions. The Company carried out transactions in the ordinary course of business on an arm's length basis at with related parties. Related party transactions have been disclosed under note: 33.

## 2.18 Statement of cash flows

Statement of cash flows is prepared principally in accordance with IAS -7 " Statement of cash flows" and cash flows from operating activities have been presented under direct method.

## 2.19 Reporting period

The accounting period of the Company has been determined to be from 01 January to 31 December each year. These financial statements cover the year from 01 January 2021 to 31 December 2021.

## 2.20 Comparative information

Comparative information has been disclosed in respect of the previous period for all amounts reported in the financial statements, both in the face of financial statements and notes to the financial statements.

## 2.21 Reclassifications

To facilitate comparison, certain relevant balances pertaining to the previous year has been rearranged/reclassified, whenever considered necessary, to conform to current year's presentation.

## 2.22 Reporting currency and level of precision

The financial statements are expressed in Bangladeshi Taka currency and rounded off to the nearest integer.

#### 35 Financial risk management

The management of BISL has overall responsibility for the establishment and oversight of the company's risk management framework. Risk management policies, procedure and system are reviewed regularly to reflect changes in market conditions and the company's activities. The company has exposure to the following risks for its uses of financial instruments.

#### a) Credit risk:

Credit risk is the risk of a financial loss to the company if a customer or counter party to a financial instrument fails to meet its contractual obligations and arises principally from the company's receivables. BISL provide margin loan to its client and therefore have exposure to credit risk. Risk exposures from other financial assets i.e. cash at bank and other external receivables are nominal.

#### b) Liquidity risk:

Liquidity risk arises when a company encounters difficulty in meeting its obligations associated with financial liabilities that require to be settled either through cash or any other financial asset. BISL analyses the expected changes of its liquidity by comparing the maturity of its receivables and payables. Therefore, purpose of liquidity risk management is to assess the necessity of funds to meet financial obligations on time. The company's approach to managing liquidity (cash and cash equivalents) is to ensure as far as possible, that it will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions without incurring unacceptable losses or risking damage to the company's reputation. In extreme stressed conditions the company may get support from the parent company in the from of short term financing.

The risk of exchange rate movement does not impact this company directly because the BISL do not deal with foreign currency. The risk due to changes of interest rate on borrowing is insignificant.

#### 36 Impact of Covid - 19 pandemic

On 11 March 2020, World Health Organization (WHO) declared a global pandemic due to corona virus related respiratory disease commonly called as covid-19. To contain the spread of this disease along with many other countries of the world, Government of Bangladesh has also taken a number of measures such as declaration of general holiday, enforcement of lock down, social distancing etc. As a result of these measures, all business economic activities as well as capital market here adversely affected. Due to efficient management of the Company and turning of capital market positive market trend of the Company profitability increased from last year.

#### 37 Events after the reporting period

- 37.1 The Board of Directors in its meeting held on 16 March, 2022 approved the financial statements for the year ended 31 December, 2021. The Board of Directors also authorized the same for issue.
- 37.2 Except above, there was no other significant event occurred till the date of signing the financial statements.
